CIRCULAR

Dear Students,

Ref: Honorable Vice-Chancellor’s approval dated 19-12-2011.

The Compulsory Contact programme for the students of M. Sc. Mathematics Second Semester: 2010-2011 is scheduled to be conducted from 26-12-2011 to 03-01-2012. The venue for the contact programme shall be Tungabhadra building situated in the KSOU, Mysore. You are required to report at 10.30 am on the first day of the programme. Program comprises of briefing sessions on all 5 papers in the second semester. Professors from reputed institutions/University will handle the subjects during the contact programme. Participation is compulsory as you have to face a written test for 10 marks internal assessment at-the end of the contact programme. The programme time table will be distributed during the programme. Students must bring their ID card for attending the contact programme.

Students participating in the programme are required to make their own boarding and lodging arrangements. However, a few cottages are available at KSOU for students on first come first serve basis. For further details please visit www. ksoumysore.edu.in

Separate hostel facility is available for ladies. For the Hostel facility, students can contact Sri. Mahesh: 9886014773

We look forward for participation. With warm regards
