PUBLIC NOTICE

Karnataka State Open University issued a Public Notice on 11.12.2016, 19.01.2016 and 05.03.2016, informing all the public, Academic Collaborative Institutions and other stakeholders of the system that the University has terminated all MOU's with Academic Collaborative Institutions vide the University Notification dated: 05.03.2016 and same has been communicated to all Academic Collaborative Institutions for strict compliance. It has come to the knowledge of this University that despite of such termination, some of the Academic Collaborative Institutions are enrolling students for various courses. The University is receiving messages, phone calls and enquires as to the status of Academic Collaborative Institutions. It is therefore necessary to issue this Public Notice once again to prevent unlawful admissions by Collaborative Institution or any other agencies. The University will not be held responsible in case the students taking admissions despite of clear instructions given by the University. KSOU will issue a separate Notification after getting continuation or recognition from UGC. Therefore, the students, parents and other stakeholders are requested to await for further Notification by University.
